2:00	Accelerated Math	Accelerated Math	Accelerated Math	Accelerated Math	
3:00	Accelerated Math	Accelerated Math	Accelerated Math	Accelerated Math	

Reading Groups times are scheduled according to age and level.

Math Labs are open drop-in times for students in grades 4 and up to come in with their math book and get help on specific problems or concepts. Students need to bring their work.

Language arts lab is an open drop-in time for students in grades 4 and up to get help with language arts assignments. Students need to bring their work.

Exit Exam Prep is for students who have not passed the English section of the Exit Exam or for 10th graders who want test preparation before they take the test.

Students in 11th and 12th grade who haven't passed the math section of the Exit Exam are required to come for at least one hour of Accelerated Math time. Focus during these sessions will be on specific skills on the Exit Exam. Students may attend more than one hour.

Students who score below the 30th percentile on Scantron or far below or below basic on STAR tests will be required to come to either Accelerated Math, Step Up to Writing or Reading Groups, depending on scores. Parents will be notified in mid August if their children need to attend. Students scoring above the 30% may attend these sessions. Parents are encouraged to discuss these opportunities with their CT.
