Alder Grove News

From the Director

It's hard to believe our third year has come to an end! I want to thank all of the parents, students and staff who have made our school such a wonderful place.

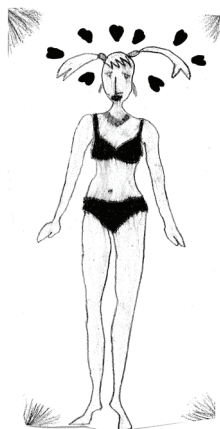

I feel fortunate to work with such an amazing group of people. I would like to extend a huge congratulation to all of our high school graduates. This is a big accomplishment. Keep in touch and let us know how things are going!

We will begin enrollment for next fall's on site classes now to help in planning for your student's education. All of the information you need about what courses we will offer and how to sign up is enclosed with this newsletter.

Have a relaxing, fun filled summer, and remember to keep reading!
