

On-Campus Class Discipline Policy

On-campus classes at Alder Grove are optional. Students should come with an attitude of readiness and a willingness to participate. If a student refuses to cooperate or otherwise disturbs the learning environment for others, the parent may be called to pick up the child.

In order to ensure a safe, friendly, and educational environment for all of our students, these guidelines should be followed:

Students who have gaps in their schedule or are working in any lab are expected to work quietly on schoolwork only.

- Students will treat each other and adults respectfully.
- There will be no bullying allowed.
- Students will use appropriate language for a classroom environment.
- Students will not engage in rough play that may endanger other students.
- Students will not engage in sexual harassment. Verbal, visual, or physical conduct that includes threats, pressure, or demands will not be allowed.
- Students will not engage in behavior that damages or has the potential to damage property.

Teachers and Administration will determine an appropriate consequence if a student disregards these expectations. Possible outcomes include:

- Meeting with student and/or parent.
- Developing a specific behavior plan.
- Suspending the privilege of attending on-campus classes.
